

CHICAGO WOLVES SPORT MANAGEMENT PROGRAM

THE BUSINESS OF SPORTS

**FRIDAY, FEB. 13, 2015
VS. OKLAHOMA CITY BARONS**

Join the Chicago Wolves hockey team as we host our inaugural "Business of Professional Sports" program on Friday, February 13, 2015. The objective of this program is to provide individuals seeking a career in sports with a clear idea of the variety of career paths that can be pursued with a professional sports team. A panel of 3-4 successful employees from different sports teams will share a brief overview, including typical day-to-day activities, from each department within their organization along with a personal story of how they arrived at their current position. After the panel discussion, attendees will have the opportunity to meet and speak with the members of the panel during a networking session. Registration for this event includes a ticket to the Chicago Wolves game immediately following the networking session.
