Q. How much does it cost to join?

A. Our membership pricing can be found on our website. There are discounts if you join by September 28th. You will be able to start attending member events as soon as you join the club.

Q. Can my Boothie join Booth Partners?

A. Absolutely, and many do! We strive to have many Date Night events.

Q. Are all events free?

A. While we try to bring you as many free events as possible, some events will require you to buy a ticket. Usually the club covers 50% or more of your cost to attend an event.

Q. I have kids – are they welcome at Partners events?

A. We create events specifically for those with kids under the designation POLO (Parents of Little Ones). Many of these events are open to kids. You may notice there are more POLO events than any other type, as Booth provides extra funding for these events.
